Municipal Council Maraya - Reconstitution of

I have the honour to forward herewith a copy of letter No Al M C 7/46 dated 24th November 1946 together with a copy of the resolution of the Municipal Council on the above subject received from the President, Town Municipal Council, Maraya and to state as follows -

In connection with the reconstitution of the Maraya Town Municipal Council with effect from 1st February 1947, action was taken as per election Rules and the President reports that in accordance with the Calendar of events issued in this behalf, the election took place on the 22nd November 1946

The President has reported that 38 candidates contested the elections and that out of 1,254 voters in all, 1,023 attended the Polls and that 27 only out of the votes recorded, were declared invalid A list showing the names of the 15 - candidates that secured the highest number of votes and were declared by the Municipal Council/their special Meeting held on at 23rd November 1946, to have been duly elected is also enclosed It is also reported by the President, that Mr L Lingappa who was returned in both the Ist and IVth Divisions has submitted his application on 24th November 1946 stating that he may be returned from the 1st Division, as per rule 31 of the Town Municipal Council election rules Mr T B Ananda Gowda who

Ex-Officio Councillors

1 The Executive Engineer, Mysore Division
2 The Medical Officer of Health, Health Unit, Mysore

With regard to the 3 seats to be nominated by Government the following proposals are submitted for kind consideration of the Government

The representation secured during the elections for the Brahmin and Vokkaligar communities is quite adequate With regard to the 3rd biggest community i e , Muslims it is seen that they have secured only one seat by election If the Government think it desirable to nominate one more Muslim in view of the population being 1,165 as per the last Census, one of the following candidates preferably the former, may be nominated

1 [illegible] Abdul Basith, Representative Assembly Member
2 [illegible] Abdul Ali, Ex Municipal Councillor

Next in rank are the Communities of Adikarnatakas, Harijans and Christians with a population of 771, 646 and 613 Of these the Harijans are represented having obtained

obtained one seat during the recent elections and the Indians as and Christians may be given one seat each by nomination from out of the two persons suggested below -

Agriculturists -

1 Mr I C Cheluvaiah
2 Mr Boomiah

The former may be selected as he is a leader of the community and is an Assembly Member

Christians -

1 Father Fernandez (Catholic)
2 Mr T B Williams (Protestant)

The former is running a St Joseph's Convent Girls' High School here and he is in charge of the Catholic community in this place The second Mr Williams has been a sitting member in the last Council and represents the Protestant community being the Pastor of the Methodist Mission Either of these may be nominated In case the Government do not prefer to give an additional seat to the Muslim community the following 3 communities may be taken up for consideration i e , Voddars with a population of 429, Muddliars with a population of 284 and Viswakarmas the population being 262 and Lingayet population being 332 No suitable candidates are forthcoming in the former two communities and Voddars are a floating population in this town having no permanent house and being eligible to vote only by virtue of their paying Cycle and cart tax There is an applicant for nomination in the Viswakarma community and another in the Lingayet community i e , Messrs S Nishkamber, Jeweller, and a respectable man and J Siddalingaiah Advocate Either of these may be nominated to represent one of the above communities The remaining communities are very small in their numerical strength and representation for them seems to be unnecessary Statements showing the population of the town community-wise with the names of members of unrepresented communities proposed for nomination are

Sir,

I have to bring the following few lines to your kind consideration and favourable orders.

I have to state that I have been a nominated Member of the Mandya Municipality for the past 22 years and Member of the Representative Assembly for 15 years Ever since my entering the public activities, I have been doing all in my power to ameliorate the conditions of the inhabitants of the Mandya District and more especially the members of my community which is a backward community. It has always been my endeavour to extend my whole-hearted co-operation to the Government of His Highness the Maharajah of Mysore in their progressive policy of the State. It is needless for me to mention here that in these years I have earned the appreciation of the Government and the affection of all the people of my locality

You may be aware that there is going to be nomination to the Mandya Municipality. It is my great desire that I should dedicate the rest of my life to serve the general public as well as my community.

I therefore request your goodself to kindly have me nominated as a member of the Mandya Municipality and thus afford me an opportunity to serve the public and the members of my community.

Yours faithfully,

Respected Sir,

Petitioners Voddars residing near District Hospital, Pasaba Pobli, Landya Taluk (Mandya Town Extension)

In continuation of our petition dated 28-11-1946, we, the undersigned Voddars and piece-workers of the Public Works Department residing near the District Hospital, Mandya Town Extension, beg to represent the following few lines for your sympathetic consideration and favourable orders

We are residing in this town for the last 10 to 12 years with a population of nearly 600 to 700 There are nearly 300 sheds of our community people and there are no-body to look after our interests The previous Deputy Commissioner, Mr K Thipperudriah, B A , was pleased to hear our grievances and promised us that he would comply with our request and nominate one of our community people as a Member of the Mandya Town Municipality

We all had a meeting in our sheds and decided to elect one Mr Thamboo Chetty Venkatappa who is a prominent P W D Contractor who has been awarded medals in the Public Works Department for the good work turned out by him We had also submitted two petitions in this connection to the Deputy Commissioner, Mandya, who was also pleased to order on 18-11-46 that one of our community people would be nominated to the Mandya Municipality

We pay Land Revenue to Government as we own lands under Mandya tank bed Several of us pay cycle tax to the Municipality as some of us own cycles also We have settled in this Mandya

Mandya Town for several years and this has become our native place as we have settled here permanently

Inspite of our previous representations and earnest requests, we are now shocked and disappointed to hear that the name of our representative has been omitted from among the names nominated by the Minister When the benigh Goverrment are taking a lot of interest for the amelioration of the Depressed Classes, we beg of them to consider the opinion of the members of the Depressed Classes, to safeguard whose interest a member has been nominated The present nominated member though has been in the Municipality as a nominated member for the past so many years he has not been helpful to his own people of Adikarnataka community When such are the conditions, we, the members of altogether a different community cannot expect and dream of any help from him even in future

We, therefore, request you Sir, to be so kind as to reconsider our grievances sympathetically, in view of the fact that there being no-body to look after our interests consisting of nearly 600 to 700 population and order for the nomination of Mr Thamboo Chetty Venkatappa as a Nominated Member of the Mandya Town Municipality as desired by us, for which actof kindness we shall ever remain grateful to you

Mandya,
Dated, 27-1-1943

We beg to remain,
Respected Sir,
Your most obedient servants,
